

Brochure

*Life become luxurious
When your...
Lifestyle flaunts it,
Attitude speaks it,
Persona show it,
and when your
Home reflects it...*

Live a life of world class luxury,
on your home turf

'Express 99' is the highest peak of luxury. It is the perfect example of the fast growing modern lifestyle that is predominant today and is quite necessary too. When a space appeals to us we buy that, however when a space offers a great appeal with ultra luxurious amenities it really establishes a great relationship. Offering normal or deluxe size in the gamut of 2 BHK, 3 BHK and 4 BHK units; 'Express 99' truly exemplifies the true meaning of independent life.

'Express 99' is all about living life on the edge. Fast connectivity, ultra-opulent facilities, amazingly resourcefulness of the place and the apt amenities all define 'Express 99'. Lavishly established on an area of 12 acres it redefines class and abundance. 'Express 99' has some landmark elements or features that truly sets it apart and gives it an edge over others. Its prime location gives it more affluence and great connectivity; it is located in the most prime location of the upcoming 'New Gurgaon' area which has a close proximity to the newly built Terminal-III of the Indira Gandhi International Airport.

'Express 99' truly inspires grand and wholesome living.

A company that think 
Creates and leads

Cosmos Infra Engineering (India) Limited was established in 1986 to provide housing facilities to the general public. The chairman of the company Lt. Sh. D.D. Mittal built the company from scratch and gave it new heights. He established various businesses in the last 50 years and his experience immensely benefitted the 'Mittal Group'.

The Promoters / Directors of the company are Sh. Vinod Mittal, Shri Pranav Mittal. The Promoters / directors are highly qualified individuals and they have a long experience in construction industry. The Managing Director of the Company, Mr. Vinod Mittal is an Engineer , who passed out from the prestigious R.V. College of Engineering, Bangalore with distinction. Mr. Vinod Mittal completed his engineering with flying colours and hence-forth joined his family business in 1985 under the apt guidance of his experienced family members. Mr. Mittal has since then contributed greatly towards the growth and development of the company.

Now with an experience of about two decades, he has made many ambitious plans to take the group to new heights. His exemplary commitment towards the customers through an on time delivery of services has benefitted the company and the group now enjoys a very sound name in the Real Estate sector . The name 'COSMOS' inspires confidence in the buyers.

Our Vision

The company's vision is to create spaces and structures which add value to life and create urban landscapes that are timeless. The emphasis on the emotional connect that strengthens the relationship between a home and its owners for generations together is of prime importance for the company.

Children should enjoy the developments and it should nurture their creativity.

The company's business dealings should be fair and transparent with a never ending spirit to provide the highest quality service to the customers. The customers should derive maximum value out of the company's establishments and the structures should be environmentally sustainable as far as possible.

The company works hard every day to provide an environmentally friendly space for its customers, be it for housing, office or leisure purpose.
